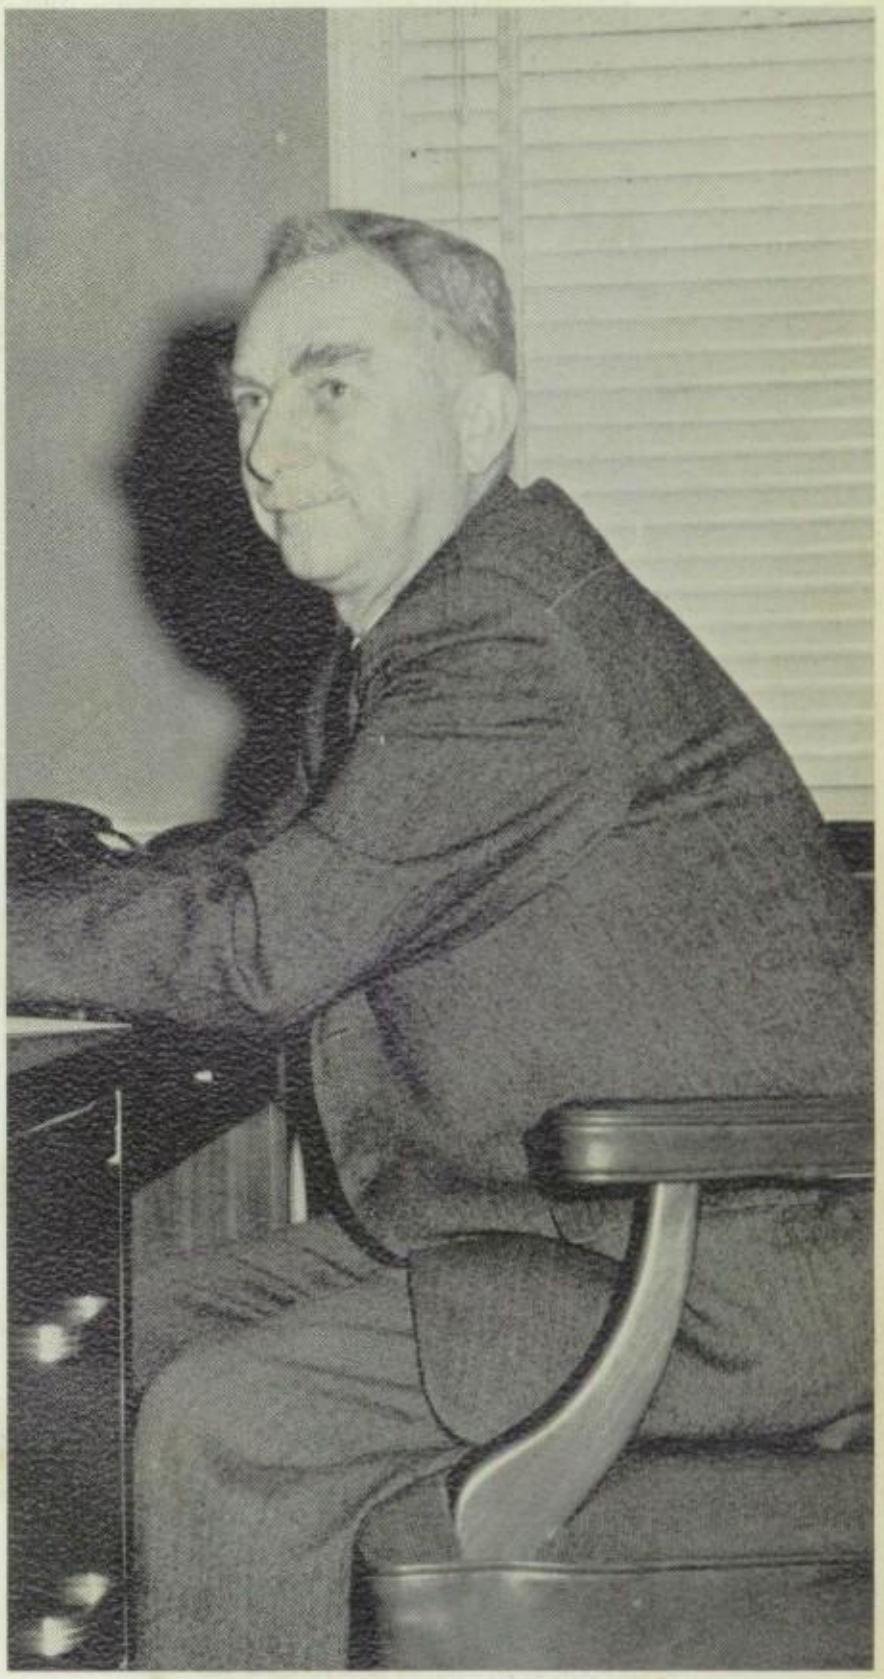
Vol. LVIII

Dedication . . .

In accordance with the two hundredth anniversary of of public education in New Bern, the 1964 BRUIN is dedicated to a person, who for the past seventeen years has been superintendent of the New Bern City Schools—

Mr. Harry J. MacDonald.

He is a person who has strived for better education in New Bern. A guiding friend is Mr. MacDonald who is always willing to help a fellow individual.



Upon graduation from Duke University, where he obtained his Bachelor of Arts Degree and later his Master of Arts Degree, Mr. MacDonald taught for two years at Plymouth High School, where he organized their band. In 1936 he came to New Bern High School as head of the science department, and in 1938 he organized the New Bern High School band. Later he became principal, and in 1947 he became the superintendent of the New Bern City Schools, succeeding H. B. Smith who had retired.

During his administration as superintendent, the size of the New Bern City Schools has more than doubled. New schools including New Bern High School have been built and additions made to the old. As a prominent educator, Mr. MacDonald has held several important positions in the field of education. He is a past president of the North Eastern District Division of Superintendents and of the New Bern Unit of N.C.E.A. He is presently a member of the State Policy Committee of the North Carolina Division of Superintendents.

Mr. MacDonald has taken part in various civic organizations: he served as a co-director of the Craven County Civil Defense and Disaster Committee; he is a past president of the New Bern Rotary Club; and he is a member of the Board of Directors of the Craven-Pamlico County American Red Cross. In the fraternal organization of Masonry he is an active Mason, and has been awarded the highest degree that the Scottish Rite can offer, that of the thirty-third degree, receiving this honor in Washington, D.C. in 1963 in a group of Masons including the astronaut Gordon Cooper. Mr MacDonald is an active member of Centenary Methodist Church in New Bern.

New Bern High School is indebted to Mr. MacDonald, and to this worthy person, this annual is proudly dedicated.

1764

Foreword . . .

In the year 1764 established education was begun in New Bern with the opening of the New Bern Academy.

The first school building, built in 1764 on what is now the Central School campus, was destroyed by fire in 1795, and was replaced in 1806 by the Academy Building, which is still in use today. In 1885 the Academy was expanded with erection of the present Central Building.

As the number of students attending the school continued to increase, plans were made for the construction of a completely new high school, to be located in the Trent Park area of New Bern. In 1954 the new school was completed and students began to walk the halls that we now walk.

The year 1964 marks the two hundredth anniversary of education in New Bern — and construction has begun again. A new building is being erected to accommodate the increasing enrollment, which at present is over 1200.

New Bern High School can claim among its graduates numerous doctors, lawyers, nurses, engineers, secretaries, teachers, architects, musicians, military men, and even an interior decorator.

As our school grows, it continues to maintain a high quality of education and to produce a large number of outstanding graduates.

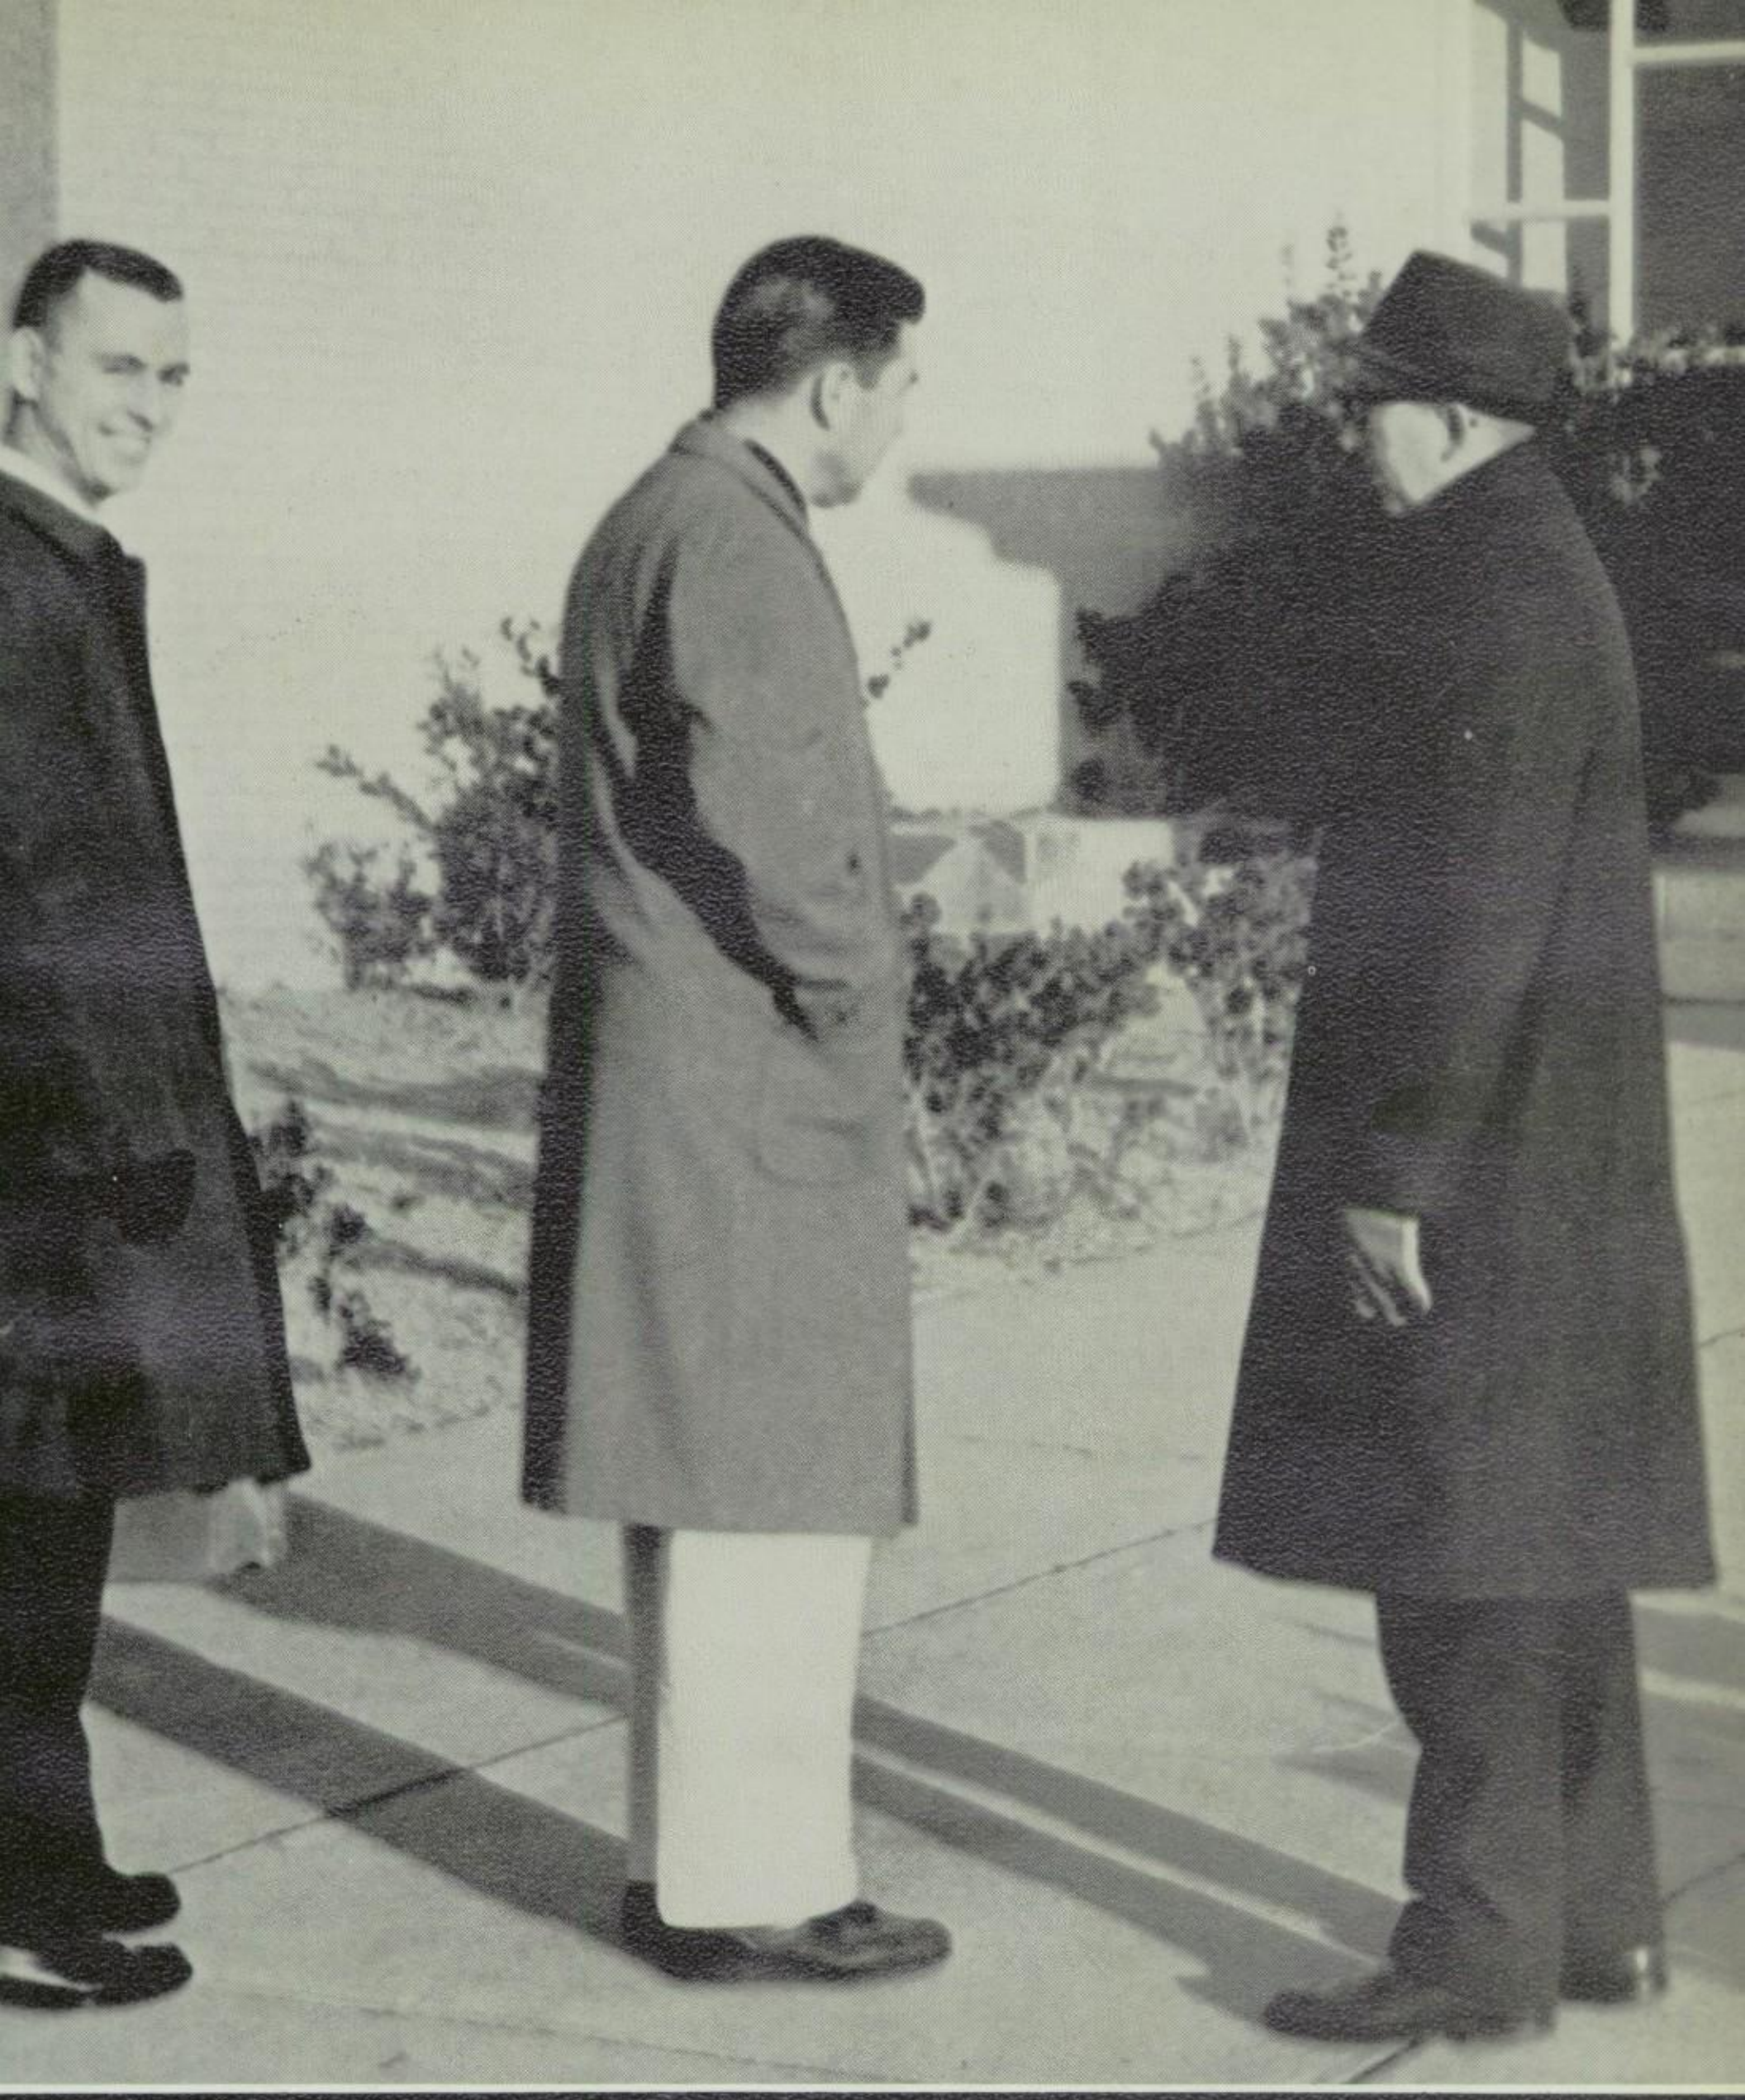
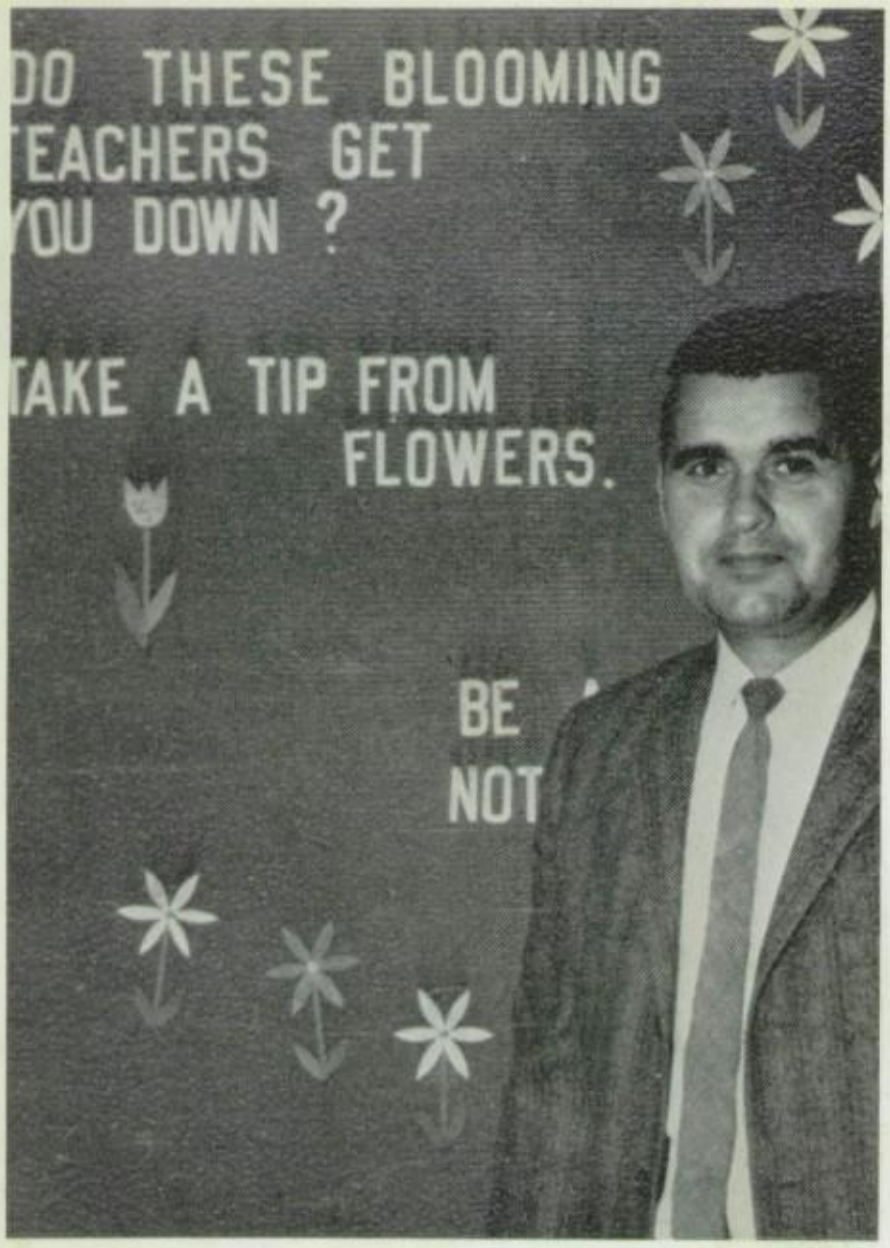
Administration





More students should follow the advice expressed in this bulletin board.

1964 is Mr. W. L. Flowers' second year as Principal of New Bern High School. He keeps the motors of N.B.H.S. running with a high degree of efficiency and a lot of hard work.

Mr. Flowers is a graduate of the University of North Carolina with a Bachelor of Arts degree in chemistry and biological science and a Master of Arts degree in Educational Administration and Supervision. He has served as a principal in the New Bern city school system for fourteen years and we of N.B.H.S. wish for Mr. Flowers that this be a very lucky fourteenth.

Don't let this picture fool you, you won't catch Mr. Flowers sleeping on the job.

Mrs. McKinnon, the Guidance Director, is showing Jerry Hicks an article on education which is posted on her bulletin board.

Superintendent of New Bern City Schools

Through the years of education in New Bern, there have been many prominent educators. Mr. Harry J. MacDonald, Superintendent of the New Bern City Schools, is one of these leaders. With much devotion, he has spent many hours working to give the city of New Bern the best of educational systems. A friend, an advisor, a leader, an inspiration—this is Mr. MacDonald.

He is a graduate of Duke University, where he majored in zoology and chemistry, and received his Bachelor of Arts degree and Master of Arts degree. Before becoming superintendent, he taught science at New Bern High School and also served as principal. Mr. MacDonald is responsible for organizing New Bern High School's band.

Mr. J. W. Allen Administrative Assistant of New Bern City Schools

New Bern is fortunate to have Mr. Allen back in its school system this year. Mr. Allen resigned as principal in 1962 and returned to college to further his degree in high school administration. He now holds the title and position of Administrative Assistant of New Bern City Schools.

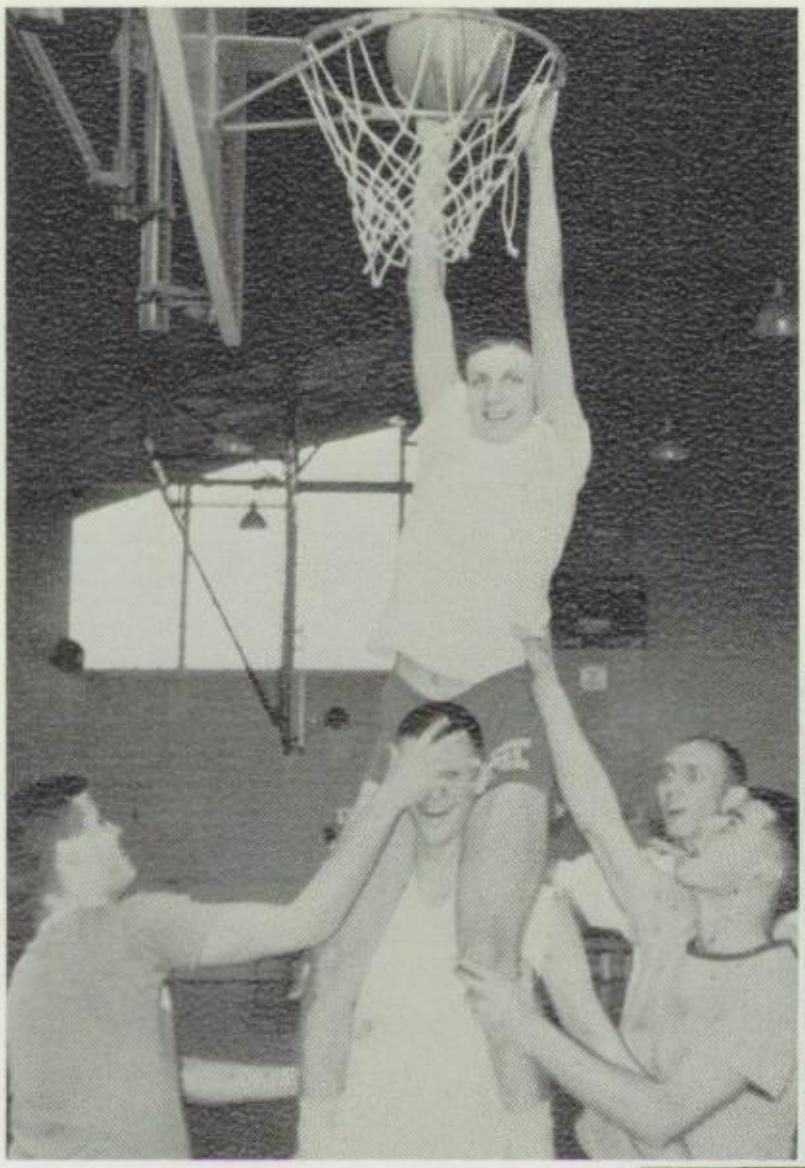
Tom Rivers shows the blueprints for the new building to the following students: K. Bynum, R. Cox, J. King, Y. Cahoon, W. Meadows, R. Broughton, J. Miller, E. Long, M. Whitty, and K. Edwards.



As you can see the Juniors play an active part in school athletics. Pictured are Cecil Harrison, David Whitty, Bill Bunting, which are Juniors. Others pictured are Eugene Long and Jerry Verrone.

Dandee Bryan, Sandy Kelso, Peggy McCotter, and Betsy Smith are ready to begin a new day.

This is one of the many ways Juniors show their loyalty to Bruno and N.B.H.S. Pictured are Joy Carpenter, Phyliss Coates, Stan Braddy, Jimmy Jones and Martha Culton warming the school mascot.

Julian Steiner and Billy Wheeler are glad school is out for the Christmas holidays.

Memoriam

Tommy Willis

1946-1963

CROSSING THE BAR

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,
But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.
Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;
For though from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crossed the bar.

Our football team's record was impressive in this strong 3-A Northeastern Conference. The Bear's record of 5 wins and 5 losses is not a true picture of the tremendous hustle and teamwork displayed on the gridiron. The Bruin Pack was second in the conference in scoring. Our losses, with the exception of one, were not more than a touchdown. This season proved very exciting for the fans and teams. Our football team should be praised and congratulated for their fine effort and determination.

WILLIAM REEL—Guard

Through effort, teamwork, and coaching, the BEARS had a very successful season. With a season record of 19 wins and 4 losses, the BRUIN PACK finished second in the conference and second in the tournament. While averaging almost 77 points a game, the BEARS limited their opponents to an average of 59 points a game. Our basketball squad placed three boys on the all-conference team, Captain David Pugh, Bill Bunting, and Eddie Kwasnick. Bill Bunting and David Pugh were also elected to the all-tournament team.

Some of the greater high points of the season were the breaking of two scoring records. The first was the team record of 101 points scored against Roanoke Rapids. David Pugh broke the individual record by scoring 38 points.

We should all be proud of the fine team Coach Bob Lewis has produced this season. Good work, Coach and boys!

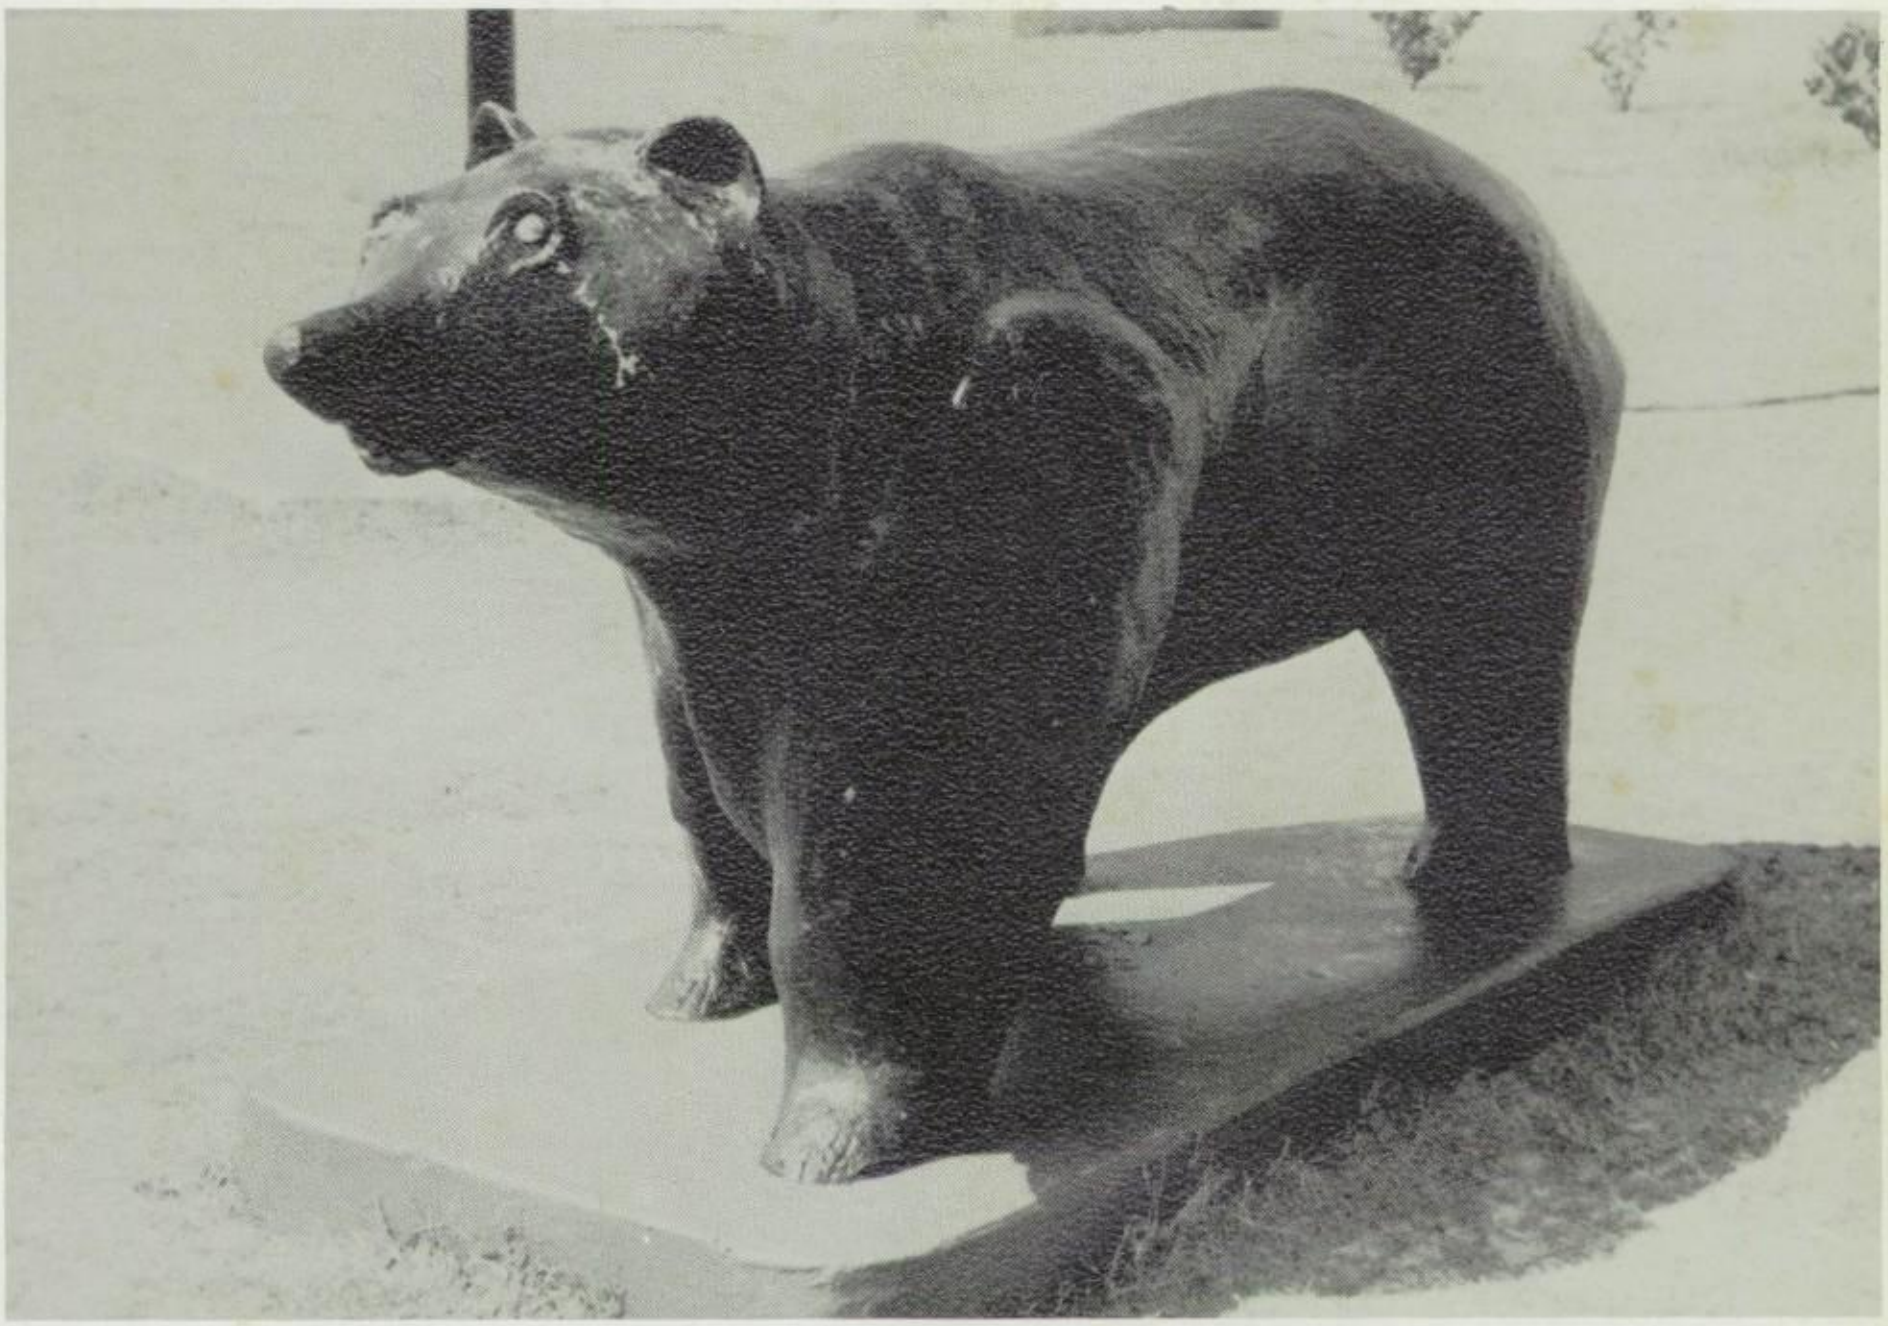
Bruno



On July 1, 1957 the Mayor of the City of New Bern received an invitation from the City of Morehead to participate in the 100th Anniversary of the founding of Morehead City, North Carolina. This celebration to take place August 7, 1957.

The Mayor and City Council appointed Cedric Boyd, Director of Public Works and Mrs. Albert D. Hickman, Secretary to the City Manager to be Co-Chairmen of the City of New Bern's participation in this celebration. As everyone knows the bear is the emblem of the City of New Bern, and so Mr. Boyd and Mrs. Hickman decided to enter a float, both in the water parade competition and also the land parade. The float was built around and on one of the trucks of the Department of Public Works and was 53 feet in length. It was built and decorated by Mrs. Hickman, Mr. Boyd and members of the Department of Public Works and won second place for the most original float and third place for the most beautiful float. Old Bruno, which was the main attraction on the float, was built at the Public Works lot on a Saturday and a Sunday and when finished weighed approximately seven hundred pounds.

Mr. Boyd drew the outline of Bruno on a large sheet of plywood and then he and Mr. Heber Coward, an employee of the Public Works Department, began to construct a framework out of plywood and steel rods the size and shape of a bear. This was covered with steel mesh wire and then began the process of covering and shaping with cement. The bear made such a hit with the teenagers of the City of New Bern when he was brought back that it was decided by all who had a part in making him and also the City Council to give him to New Bern High School as a permanent fixture of the School.

TABLE OF CONTENTS, 6, 7

Dearest Robert,

I thank my heavenly stars that we met this summer. When God made you he really made a very wonderful, respectable guy. I know we've had at least two wonderful weeks. I just hope there is more in store for us in the future. That is if you want it. ? ! You have some really nice cousins too. I wish Barbara and Ronnie the best of luck. They really like each other. As for Gail and Mike ?. Just wish they find the missing links. Well, "sweetie", with closing this ? I would like to say God Bless you and keep you safe for me always. That's very important for us both.

P.S. "Both of us". That's our slogan.

Love with all my heart,

Lila Jones
